having your own elegant, private villa.

The one, two and three-bedroom beachfront villas provide the ultimate retreat, with each offering a semi-private elevator. These lavish guest accommodations come with a splendid view, luxurious British Colonial furnishings, cool marble floors and an elegant, full kitchen. Poolside cottages offer an alternate form of intimate luxury and charm.

Rounding out these spectacular offerings are full concierge services, in-room massage/spa treatments and a day spa. Sports options include scuba or snorkeling trips, windsurfing, parasailing, a fitness center, tennis and championship golf. Sunset cruises and boat charters for fishing are also an exciting way to sample the beauty of the unspoiled Turks & Caicos Islands.

International and informal dining, as well as a plush casino are just moments away, while the pool bar and beach service provide the perfect seaside luxury.
