Cosmopolitan sophistication and beachy sensibilities fuse in a gorgeous residence imbued with an unmistakable sense of permeability and oneness with the lovely tropical surroundings. Delivering 14,000 sq. ft of seamless indoor-outdoor living, La Mer Villa South posits an indulgent vision of indulgent contemporary island living. Sleek lines and vertices sculpt vast vaulted ceiling common spaces embraced by cathedral-like windows and ultra-svelte Fleetwood glass. Crisp whitewashed interiors dazzle in monochrome purity, allowing the hyperreal hues of the blissful beach surroundings to work their magic fully upon guests. Chic sculptural furnishings and rustic natural wood decor fuse elegantly, offering an ambiance of cosmopolitan cachet and laidback seaswept romance. A thoroughly modern free-flowing floorplan is exceptionally suited for impromptu get-togethers and social gatherings. This revered Turks & Caicos luxury vacation rental includes a top-of-the-line gourmet kitchen replete with deluxe Wolf and Subzero appliances. Seven sumptuous ensuite bedrooms accommodate offer the epitome of comfort, discretion, and luxury. Two additional bedrooms may accommodate staff. The media room and games area ensure round-the-clock amusement for large family retreats.

La Mer Villa South dazzles with its outstanding exteriors, reaching 5,000 sq. ft of outdoor terraces. This stunning beachfront vacation rental teems with aromatic local flora, and manicured grounds offer plenty of respite from the mid-day heat. Open outdoor spaces offer plenty of vantage points for soaking in the boundless Caribbean horizon or the generous sun. A fantastic 500 sq. ft negative edge infinity pool promises boundless refreshment.
